The largest anatomical collection among health sciences libraries in North Carolina

User Services. Staff are ready at the second floor service desk to help you with:

- Checking out materials, from books to anatomical models
- Document delivery and interlibrary loan requests
- Print and electronic course reserves
- Meeting and study room reservations
- Literature searches and research assistance
- Customized research and library skills instruction for classes
- Librarian-led group or one-on-one consultations
- Systematic Review Services

18,500 annually

675% Increase in requests since 2014

History Collections. Access collections relevant to the history and practice of health care in the History Collections Reading Room located on the fourth floor. There you will find:

- Research materials from across the world dating back to 1536
- 124 microscopes from the Donald Hoffman Collection ready for browsing
- Archival materials from the Country Doctor Museum in Bailey, N.C.
- Nationally traveling, local and library curated exhibits

The Country Doctor Museum. Travel 45 minutes west to Bailey, N.C. to visit the oldest museum in the United States devoted to rural health care history. There you can explore:

- 19th-20th century artifacts
- Medicinal herb garden
- Carriage house
- Nursing and sick room displays

More than 400 artifacts
Over 150 archival collections
3,500 + 100 books
100 years and older
Study Space. Find space on our second, third and fourth floors for individual or small group study. Some private study rooms require reservation. Visit rooms.lib.ecu.edu/laupus for details. Our study spaces are equipped with:

- Smart dry erase boards
- Sound dampening technology
- Large display screens with laptop syncing capabilities

Computer Lab. Our wide range of computer services include 50+ software titles in a variety of subject areas supporting health sciences curricula. Located on the second floor, the computer lab offers:

- 40+ PC and Mac computers
- Paper and fabric poster printing
- OpScan exam grading
- Color printing and scanning
- Equipment loans such as laptops or cameras

Computer Classrooms. Instructional services are offered in our second and third floor computer classrooms, each supported with:

- Projections system
- Instructor computer
- 30 computers
- Printer

Reserve a classroom at rooms.lib.ecu.edu/laupus for university-related meetings, seminars and testing.
