

## Best Practice Medicine

For a tasty satisfying serving of evidence-based information, relationships consisting of researchers, faculty, and clinical specialists — follow this recipe:

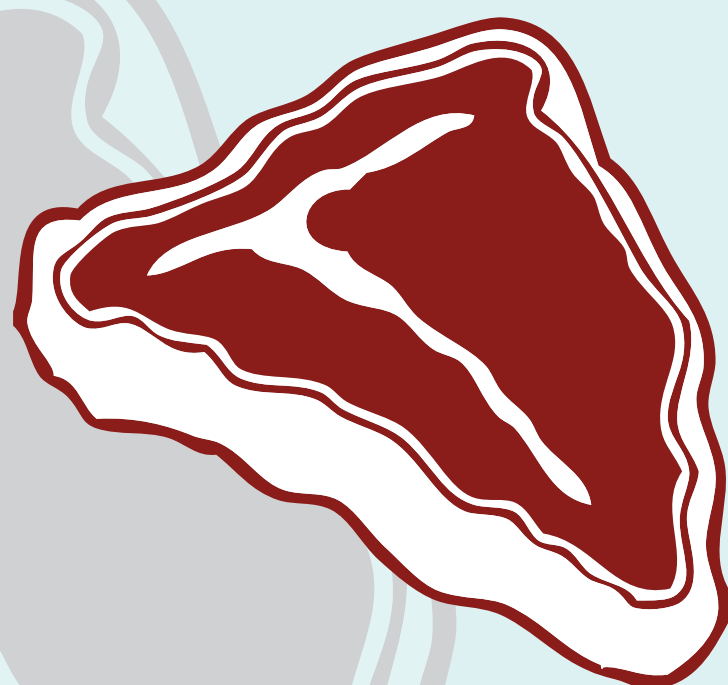

# Cooking Up Collaborations!

## Liaisons for Best Practice Medicine

Kathy Cable, MLS 🔥 Jason Cottle, BFA 🔥 Katherine Rickett, MSLS, MEd 🔥 East Carolina University, Greenville, NC

## Marinate

- 🔥 1 Robust health sciences library
- 🔥 2 Spicy library liaisons
- 🔥 1 Heaping spoonful of a committee

William E. Laupus Health Sciences Library

## GRILL

- 🔥 Combine marinade: add mixture to researchers and faculty
- 🔥 Throw prepared relationship on coals
- 🔥 Baste often with evidence reviewed by clinical specialists
- 🔥 Cook 'til tender — best practices for hospital procedures found

## Sizzle

- 🔥 Remove hot delectable dish (collaboration of clinicians and librarians) from grill
- 🔥 Garnish with better patient care for the community.

Serve Sizzling Hot
